

Life Education Victoria PARENT & CARER INFORMATION SESSION

Healthy Harold

- Learn about the Life Education experience in the mobile learning centre.
- Meet our experienced facilitator.
- Become familiar with the content, language and strategies used in our programs.
- Understand the important messages and how you can provide support and continue the learning impact for your child.
- Become familiar with how the programs align to the Victorian Curriculum.
- Open communication opportunities with your child in relation to their experience.
- Explore supportive resources to support you and your family.
